

Native Insider DL10

Description:

Leverage your brand natively with the most visual & engaging location on the AOL Homepage - the AOL.com carousel. This high visibility, above the fold unit allows you to place your brand message in the 10th placement of the carousel between editorial content. Direct readers off-site to your brand page or choose to leverage the Native Insider (DL 10) placement and send readers to custom native content created by our qualified team of AOL Editors for a truly seamless and native experience onsite.

Available on AOL.com desktop and mobile web.
