

New Car Spotlight

Description:

Reach serious in-market shoppers cross auto shopping categories and brands with the New Car Spotlight. This unit lives natively within the content stream on the CarFinder Main Page, New Cars Main Page and on related editorial/Vehicle reviews. Brands showcase key vehicle information and pricing, plus have the option to link externally to their brand's site or to internally to the model page on Autoblog. Re-engage audiences who have already been exposed to your brand messaging with this sponsorship extender on Ad.com by retargeting them with the New Car Spotlight.

Available on desktop and mobile web.
